WILD COLLECTION

The Urban theme is proposed in a captivating key thanks to the monochromatic animalier, linked by the practical deconstructed oversized models and by the use of resistant materials with a hammered soft leather effect. A collection dedicated to all the brave hearted, strong and gritty, perfect to face the urban jungle with a feminine touch.

Il tema urban viene riproposto in chiave accattivante attraverso un animalier monocromatico, il tutto unito alla praticità di modelli oversize destrutturati e all'utilizzo di materiali resistenti con effetto di pelle morbida martellata.

Una collezione dedicata a tutti gli animi coraggiosi, forti e grintosi, ideale per affrontare la giungla urbana con femminilità.

LIPARI COLLECTION

This collection recalls the colors and the taste of the enchanting Sicily, inspired by the majolicas colors.

Bright colors enriched the Ynot? models, remembering the sun, the sea and the vacation. Polished and bright shades give energy and life to a delicate and refined Mediterranean style, to wear and show off both on vacation and in the city.

Collezione che richiama le cromie ed i sapori dell'incantevole Sicilia, ispirandosi allo stile delle allegre maioliche.

Colori brillanti e ricchi di brio arricchiscono i modelli YNOT?; il richiamo al sole, mare e alle vacanze è praticamente inevitabile. Tinte smaltate e piene di lucentezza danno così vita e vigore ad un delicato e ricercato stile mediterraneo, da indossare e da sfoggiare con estrema disinvoltura sia in vacanza che in città.
